Embrace the rebirth of elegance with our Imperial Jade with Diamond Egg Earrings. These exquisite earrings feature Imperial Jade stones, each given new life from a vintage piece thoughtfully sourced by Arun. The rare and sought-after green of Imperial Jade harmonizes elegantly with diamonds set in lightweight green titanium, creating a delightful juxtaposition.

These earrings are remarkably lightweight, ensuring comfort without compromising on beauty. The subtle earthy tones and mesmerizing sparkle of these earrings create a modern classic, a fusion of tradition and innovation. Adorn yourself with this extraordinary pair, where the past meets the present, and the resplendence of Imperial Jade stands as a symbol of timeless beauty and renewal.

Fun Fact: The Chinese refer to jade as “yu”, which means “heavenly” or “imperial.” Therefore, it is regarded as the most precious stone in ancient China & considered to be the imperial gem.
