Diamond 4.11 carat

Set in 18K Black Gold

These Multi-Sapphire & Diamond Earrings feature a symphony of stunning sapphires and dazzling diamonds that boasts a captivating concave design, adding depth to their luxurious blue brilliance. Set in lustrous 18K black gold, these gems feature a total sapphire weight of 34.89 carats and a total diamond weight of 4.11 carats. Their distinctive and mesmerizing depth is a visual delight that promises to turn heads and leave a lasting impression wherever you go. These earrings are the epitome of unrivaled exquisiteness and a testament to the union of artful design and radiant gemstones.

Fun Fact: There are no red Sapphires. None. Even though Sapphire comes in every color of the rainbow; yellows, orange, pinks, green... there is no red. That's because red corundum (what Sapphire is made from) is actually called Ruby.
